

Rugby Early Learning Center

Partnership between Rugby Public
Schools & Early Explorers Head Start

Dear Parent/Guardian:

Rugby Public Schools and Early Explorers Head Start developed a partnership to offer pre-kindergarten services in the fall of 2014. We will continue to offer this service during the 2017-2018 school year. Two classrooms will be located on the campus of the Rugby High School in the vocational arts building next to the football field. The classrooms will operate Monday–Thursday from 8:30am – 3:00pm.

The two classrooms will be blended with children who are Head Start or Pre-K slots. The goal of the partnership is to target children who are at risk or have the greatest need for school readiness services. The program is not first come, first served. School district slots are reserved for children who turn four by August 1, 2017 (the year prior to kindergarten). Head Start will enroll children ages 3-5.

Families interested in enrollment in the Rugby Early Learning Center must complete the attached enrollment form and provide documentation for the following:

Proof of income (income tax 1040, W-2, check stubs,
TANF documentation, SSI, etc.)

Birth Certificate

Based on factors such as income, age, risk factors, referrals, etc., children will be selected for either Head Start or Pre-K slots. The center has not finalized all of the details for paid slots and will provide the information later. The first round of child applications is due to Ely Elementary, Rugby High School or Head Start by April 7, 2017.
