A full-page sheet of white graph paper featuring a light gray grid. The grid consists of small squares formed by thin gray lines. A thicker black horizontal line runs across the page, positioned approximately one-third of the way from the bottom edge. This line starts at the left margin and extends to the right edge of the page.

The image shows a full page of graph paper with a light gray grid. A solid orange horizontal bar spans the width of the page, positioned approximately one-third of the way down from the top. Below this bar, there is a single row of grid squares, followed by a thick, solid black horizontal line that also spans the entire width of the page. Below the black line, there are several more rows of grid squares extending to the bottom of the image.
